PE at Maidenhill School

The PE department is made up of three full time and two part-time teachers. It is a dynamic and cohesive team, led by an enthusiastic and extremely competent Head of subject. We pride ourselves in the positive attitudes students have towards their PE lessons and this is shown in the high standard of PE kit worn by all year groups and the achievements of our students both in the GCSE PE outcomes and the successes in extra-curricular activities.

All PE lessons are taught by specialist PE teachers and staff teach across the age and ability range to ensure a balanced timetable. In key stage 4, all students follow a core PE curriculum and opt to take GCSE PE. We follow the AQA PE course. Throughout key stage 3 students follow a consistent pathway to ensure they make expected or beyond expected progress. This pathway currently includes the following activities; badminton, health related fitness, netball, rugby, football, cricket, tennis, rounders, athletics and cross-country. Trampolining and gymnastics are also taught where the curriculum allows. Inter-community sports events are an important part of the school year and the summer sports day is a popular event, attended by parents/carers as well as the whole school.

Our facilities consist of a sports hall which accommodates 4 badminton courts, a fitness suite, dance studio, 4 outdoor netball courts and a sports field with 2 football pitches and 1 rugby pitch. Extra-curricular opportunities include football, netball, rugby, rounders, cricket and athletics. We compete successfully against local schools and have students who represent the District and County in a variety of sports. We are keen for our students to enjoy extra-curricular opportunities and we enter teams into Stroud and Cotswold inter-school tournaments, leagues and friendly fixtures to give them the chance to play against other students from different schools and to excel further. We currently enter rugby, netball, cross-country, basketball, rounders and athletics. The annual inter-school athletics event at the Prince of Wales Stadium in Cheltenham is always popular with students in Years 7-10 in June.

The PE department actively seeks to work in partnership with community groups and local providers. A good example is our work with Sportily (local sports ministers) who support us with coaching, refereeing and the running of sports clubs and fixtures.

Maidenhill is committed to developing a team of staff, teaching and non-teaching, who constantly strive to improve their own practice to secure the best possible outcomes for students. In our small school, there are many opportunities to work collaboratively with other teachers in other curriculum areas in addition to whole school CPD sessions that provide regular opportunities for staff to share good practice. Recent foci have included curriculum development and SEND practice.

Mrs S Meredith, Head of PE
